INTELLIMALI WELCOMES DWS

The Department of Water and Sanitation (DWS) offers talented, young individuals the opportunity to further their studies via its bursary program. This bursary is for full-time studies towards a qualification within a specific field.

Candidates who receive bursaries are required to join the company's "Water Learning Academy" upon completion of their qualification.

Fields of study supported by the department include amongst others: Cartography, Analytical Chemistry, Biochemistry, Aquatic Science, Civil Engineering, and Geology.

IntelliMali, through its IntelliCard, is managing allowances for DWS and has commenced with a pilot project at University of the Western Cape (UWC).

UWC OPEN DAY

The University of the Western Cape (UWC) hosted their annual Open Day on 6th May 2017.

We were delighted to be included in the Financial Aid section of the exhibition and to chat to the thousands of future students who attended the event.

VISIT TO MPUMALANGA UNIVERSITY

In early May, our Operations Team travelled to both Mpumalanga University campuses to implement their custom-designed Meal Booking System.

This system enables students to book meals up to 14 days in advance from the on-campus caterer and assists the caterer with meal planning and stock management.

DO NOT change your cell phone number ...

and if you do, please change your number at STUDENT SERVICES on campus and then on INTELLIZONE (www.intellizone.co.za)

If we don't have the right cell phone number, you won't receive your PIN NUMBER or the VOUCHER you need for transactions.

FINE TUNING OUR SYSTEMS

We are constantly fine tuning and improving our systems in order to provide the best service possible to our customers. Ensuring that the funder, student and merchant have real-time access to information remains a primary drive for excellence within our business.

As a result, notable enhancements in this area include:

- Proactive communication with students via poster campaigns
- Implementation of the custom-designed Meal Booking system
