An Intellimali Publication: May 2018

## ON THE ROAD WITH MOTSEPE FOUNDATION

Motsepe Foundation embarked on a roadshow to engage with their funded students.

The Intellimali operations team joined the roadshow and advised students on

the key aspects of the service namely: managing PIN numbers, purchasing items at various locations, using the APP and keeping up-to-date with new features and enhancements released on Intellicard.

## UWC OPEN DAY

On the 12th May the University of the Western Cape invited Intellimali to form part of its open day programme.

The Open Day is aimed at Grade 12 learners seeking university entrance and funding for 2019.

It was an enjoyable experience getting to know young pupils from a wide range of high schools and explaining to them how the Intelli-card service would assist them next year.

Over the next few newsletters, we will introduce you to key individuals in our business, so meet...

## Mark Vomink (Services Manager)

Mark joined Intellimali in 2012 and his key responsibilities are Human Resources Management and Office Management.

We asked Mark a few questions:

### *What is your focus for 2018?*

A major focus is on staff development and we are introducing two new learning forums this year. In addition, a special Nelson Mandela Day centenary event is being planned as part of our "Intellimali Cares" programme.

### *What was a memorable moment during your time at Intellimali?*

When I got back from leave one day, to find my office completely re-arranged and cordoned off with tape courtesy of my colleagues and their wicked sense of humour.

### *What is your talent / skills/interest when you are not at work?*

Road running, watching my favorite rugby & cricket teams, community development studies, a closet guitarist and a love of jazz music.

## AT YOUR SERVICE

To further enhance our services to you, we remind you that we have added a DEDICATED contact number of INSTITUTIONS AND FUNDERS ONLY
