

Intellinews

An Intellimali Publication: October 2018

WORKING CLOSELY WITH OUR STUDENTS

As the academic year begins to draw to a close and the focus turns to examinations, we look back at a year filled with events and activities – and wonderful interaction with many engaging students.

From “Onboarding” sessions, to “Roadshows”, to “Product Launches” to “Conferences” we have enjoyed every opportunity to visit institutions and “rub shoulders” with the recipients of our clients funds.

GOLF DAY IN AID OF A WONDERFUL CAUSE

CUT will host their 11th Annual Golf Day in aid of poverty alleviation in November 2018. The purpose of the event is to raise funds from strategic partners, which will provide financial support to various academically deserving students. The funds enable these students to complete their studies and fulfil their career aspirations.

Intellimali is delighted to be a sponsor of the event and we look forward to wonderful golf day in aid of a wonderful cause.

OUR ONGOING INNOVATION PROGRAMME PRESENTS: INTELLIPOS

Alongside our more elaborate IntellCell App, which provides students with latest information, their transaction history and merchant updates; we've introduced IntelliPOS.

This app is designed to facilitate Intellicard registrations in remote locations and to support large scale sign-up across a range of new projects. In addition, recipients can change their PIN numbers and personalize their accounts once meeting the stringent security criteria built into this application.

INTELLIMALI CARES

Luthando Orphans and Child Care is a home for vulnerable children who are orphaned, abandoned or neglected from the Dunoon community. The facility is currently taking care of six children by feeding them, clothing them and providing them with shelter.

The mission of the orphanage is to provide a loving, nurturing, and Christ-centred home for orphaned children who will not only grow into well-rounded individuals but who will also impact their communities.

Intellimali designed, developed and hosted their website and will continue to provide this ex-gratia service to this wonderful initiative in 2019.
