

OUT AND ABOUT: ITS CONFERENCE

The 33rd annual Integrator ITS User Group Conference took place from 9th-11th March 2020, at Emperors Palace Convention Centre, Johannesburg.

The conference hosted 450 technical users and administrators from TVET Colleges and Universities operating in the Higher Education sector

Intellimali was represented by Roy Jackson (Chairman) and Julian Topkin (ICT Director) who were able to renew long standing friendships and forge new relationships with key personnel at institutions across South Africa.

SCALING UP OUR TEAM: SPECIALISED SERVICES

2020 has seen a significant increase in the number of students receiving funding from a variety of Funders. As a result, Intellimali has boosted its Contact Centre service with a number of young, skilled professionals. The specialized “Correspondence Centre” will exclusively manage all LiveChat and Email communication with students and other recipients.

DEVELOPING LEADERSHIP: SUPERVISOR DEVELOPMENT FORUM

Laurice Baker, an experienced corporate manager & programme facilitator, is currently offering the Supervisor Development Forum - 2020.

The successful individuals, Team Leaders of various departments, are attending the 6-month programme designed to assess their skills and qualities and to enable them to start a journey of leadership self-discovery in order to realise and maximise their potential.

During this unusual and unprecedented time we wish you, your family and your colleagues well as you adjust and innovate in order to provide your excellent service.
